+1 650 436 8566

Motivated and dedicated professional with an Associate's Degree in Computer Science, Mathematics, and Physics. Actively pursuing a Bachelor's Degree in Computer Science while searching for internships and job experience within the same field. Passionate about combining technical expertise with a people-centered approach, demonstrated through experience as a recreational leader. Possesses strong communication skills and a friendly, approachable nature who builds positive relationships with individuals of diverse backgrounds. Known for effectively organizing and managing recreational activities, ensuring the safety and enjoyment of participants. Committed to continuous personal and professional growth, with a goal of leveraging technical knowledge and interpersonal skills to create engaging experiences for others.

Authorized to work in the US for any employer

## Work Experience

---

### **Valet Driver**

Rinse, Inc. - Redwood City, CA

December 2022 to June 2023

As a Valet driver for Rinse, Inc, I actively engage with around 16 customers per shift to ensure high-quality customer satisfaction by providing excellent customer service and efficient services. I prioritize attention to detail and personalized care.

### **Amazon Associate**

Amazon.com - Brisbane, CA

June 2021 to May 2022

As an Amazon associate, I was able to provide for the Bay Area community, while developing core aptitudes. Developed efficiency and time management by processing and fulfilling customer orders between time intervals. Eminently practiced safety guidelines through the initiative to clear the workspace and communication with peers. Fulfilled 64 individual bags, and more than 100 units per shift to customers. Experienced an all-standing occupation.

### **Recreation Leader**

Burlingame Parks and Recreation - Burlingame, CA

October 2018 to December 2019

As a recreation leader, I took initiative to help those in my community. Here, I built and strengthened relationships with children, families and team members. I participated in games and recreational activities, encouraging individuals and staff to join in. Supervised groups of 15+ children between ages 6 and 13 in outdoor activities. Established long lasting relationships with both staff members and students through effective communication. Gathered, prepared, operated and maintained all equipment and supplies necessary for attention. Promoted fun, safe, and inclusive environments by monitoring activity of campers to identify and address behavioral issues.

## Education

---
